

October Half Term 2017

Preschool

Our holiday club runs a variety of daily activities for your children to enjoy in a friendly and fun environment.

Children take part in free flow play during the day, giving them the opportunity to engage in their own selective activities.

Daily activities may include: Playdough, physical play, sand, water, role-play, singing, stories, dolls house, bikes, cars and garage, puzzles, arts and crafts, cooking, junk modelling and small world toys.

In addition to all of the above, we also have special activities run by pre-school staff and qualified teachers. Details for all these sessions are listed below.

Please ensure your child has appropriate footwear and clothing. Trampolining sessions will require socks and a long sleeved top.

Additional Special Activities
